

Mundo Sano

COOKIES POLICY (v. English)

We inform you that Mundo Sano uses a technology called “Cookies” with the purpose of facilitating User’s navigation and providing him information during their use of our Website.

In Mundo Sano we fulfil with the national electronic communications law and in particular with those provisions related to the use of Cookies. Users will be able to find in this Cookies Policy information related to the types of Cookies that we use, the purpose for their use and the different options for managing or deleting them. If you require additional information on Cookies that are used in the Website, please contact by email dataprotection@insudpharma.com

1. What are cookies?

A Cookie is a file that may be stored on your computer or mobile device with the purpose of storing data that may be updated and recovered by the company responsible for its installation, this is Mundo Sano. This may include pages you have visited, choices you have made from menus, any specific information you have entered forms and the time and date of your visit. Depending on their use and content, cookies may be used to recognize the User.

2. What types of cookies do we use and for what purpose?

When navigating through the Website, Users are using cookies from Mundo Sano and from third parties. Third party cookies are those that are managed by service providers external to Mundo Sano. Our Website uses the following Cookie types:

- **Technical and Personalization** Cookies are required to allow the User to use different options or services offered in the Website. If these Cookies are disabled, you will not be able to properly receive our contents or services.
 - Login Cookies designed to collect and store data while the User accesses the Website. They are usually used in the context of the provision of a service requested by the User on a single occasion.
 - Permanent Cookies or persistent Cookies are data files capable of providing services with user preferences, settings and information for future visits. Persistent cookies provide convenient and rapid access to familiar objects, which enhances the user experience.
- **Analytics Cookies**, these Cookies are used to tracking and analysing user’s behaviour. If these Cookies are disabled, the Website will continue functioning, notwithstanding the information collected by these Cookies allows us to improve our Website.

This Website collects user information through the installation of the following cookies in the User’s hard drive. The information stored in the cookies does not personally identify nor do they store confidential information, such as the users’ email address, name, phone number, etc. When navigating this Website, the following cookies are used

3. When do I consent to the use of cookies?

When Users reach our Website and before starting their navigation, they will be warned about the use of Cookies, so that Users can give their consent in relation to our Cookies Policy. If the Users do not accept the use of Cookies they must stop navigating and leave the Website or follow the browser instructions to disable Cookies, as explained below.

4. Data protection and Cookies

Mundo Sano by automatically obtaining information from the Website through cookies, may collect personal data from Users, relating to their computer device, use of the Website or their patterns of behaviour. This information may include data concerning the language, keywords, date, time, how long the User spends on certain types of pages, IP address, advertising identifier, what section of the page the User has visited and similar information concerning the use of the Website. Mundo Sano may collect such information using cookies.

In this sense, regarding information that identifies or makes identifiable Users, the provisions of the Privacy Policy shall apply. For any questions about how long we keep the personal data obtained through Cookies, or if Users wish to exercise the rights of access, rectification, erasure or objection, they may consult the Privacy Policy or contact us at the following address dataprotection@insudpharma.com

5. How may I disable and block cookies?

At any time, the User will be able to disable Cookies and continue navigating, although navigation will be limited and could be blocked at some point. The User may be able to block or disable them in the browser settings, which permits to reject the installation of all the Cookies or part of them. Most browsers allow the possibility of informing of the existence of Cookies or reject them automatically. If you reject Cookies, you will be able to continue using our Website, although some functionality will be limited negatively impacting on your experience in our Website.
